Jim--

re: UPI. Fred Ferguson of Newark has been in to see Marshall Millsap (our station manager) about the new contract and the hi-speed printer. Our individual contract appears to be set.

re: network payments.
John Hanson mentioned to me that NEAS will be paying us directly. Any confirmation or denial?

re: listing of rep in SRDS.
John said ~~k~~ he would try to come up with an alternative to "NEAS Radio Division". Have you had any thoughts on a name other than "Progressive Radio...?"
